CONFIRM BEFORE A SAMPLE OR ORDER

Default camera resolution, native pixels, frame rate, storage, app service terms, regional availability, installation parts and the final accessory list need review. Listed camera options are not a 4K default.

Catalog functions are not a guarantee of identification accuracy, operating time or a tested protection rating.

AIBIRDING is a brand of BOLAN TECHNOLOGY. Catalog model data has not been independently tested. Dimensions retain the source axis order. Sample costs, availability, shipping and commercial terms are confirmed individually.
