CONFIRM BEFORE A SAMPLE OR ORDER

The camera adjusts manually; motorized pan-tilt and automatic tracking are not confirmed. Night vision, two-way audio, drinking-component inclusion and the final accessory list need model-specific review.

Default battery and camera configuration, native pixels, frame rate, storage and app service terms are not established by the listed options.

AIBIRDING is a brand of BOLAN TECHNOLOGY. Catalog model data has not been independently tested. Dimensions retain the source axis order. Sample costs, availability, shipping and commercial terms are confirmed individually.
